 Steering Committee
 Auditor

Director

Director Park, Seung Bae TEL+82-61-862-8845	Supervises general affairs of the research institute
---	--

General Manager

General Manager Kim, Gyeong Jae TEL+82-70-4468-1495	<ul style="list-style-type: none"> Handles research and administrative work planning and operation leads the project to support commercialization of Fungal bio-health materials leader
---	---

Research Administration Office

Manager Kim, Yoo Seon TEL+82-70-4421-6851	Oversees research administration, personnel and organizational management
Kim, Sook Hee TEL+82-70-4421-6853	Handles revenue·expenditure and general affairs
Kim, Seon Young TEL+82-70-4421-6854	Managed the website·groupware

Breeding·Functionality R&D Office

Manager Ban, Seung Eon TEL+82-70-4421-6862	Supervises research on mushroom breeding ·functionality
Jang, Eun-kyung TEL-	Child-care leave(22.10.4~24.3.4)
Wi, Chang Heun TEL+82-70-4421-6855	Handles test center management and operation
Je, Seon Jeong TEL+82-70-4230-4995	Handles new breeding of oak mushrooms
Jang, Hye Mi TEL+82-70-4230-3205	Handles the discovery and cultivation of new economic medicinal mushrooms
Kim, Bi Ryong TEL+82-70-4230-5409	Supports technical guidance and verification testing for mushroom farmers
Jeong, Na Ri TEL+82-70-4421-6856	Handles empirical testing of mushrooms

Processing·Industrialization R&D Office

Manager Seo, Kyeong Soon TEL+82-70-4421-6857	<ul style="list-style-type: none"> ▪ Supervises research on processing industrialization ▪ National R&D contest and joint research
Go, Young Woo TEL+82-70-4421-6858	Handles biological activity·equipment utilization·quality certification·research projects
Lim, Seung Bin TEL+82-70-4421-6859	Handles Ingredient analysis·research project management·industrialization
Lee, Dong Hyun TEL+82-70-4421-6992	Handles ingredient analysis·industrialization·processing industry support
Kim Dong-wook TEL+82-70-4421-6993	Handles biological activity support·processing industry/company support

Bio·health material commercialization support office

Manager Jin, Seong Woo TEL+82-70-4421-6990	Supervises the work of bio·health material commercialization support office
Jeong, Sang Wook TEL+82-70-4421-6863	Handles facility/equipment construction·company support·training businesses
Ha, Neul Lee TEL+82-70-4421-6861	Handles functional/biological activity testing and analysis equipment management
Jeong, Hee kyung TEL+82-70-4421-6860	Handles fungal resource management and GMP quality control testing
Kim, Min Woong TEL+82-70-4421-6991	Handles fungal food material production and hygiene management
